Dear Parents and Carers

It's hard to believe that we are now at the end of the first term of the school year. The children have taken part in lots of amazing learning experiences and have had a great start to the year.

We would like to take this opportunity to thank you for your continued support. It has been wonderful to see so many parents, carers and family members supporting the children's learning in lots of different ways; attending our workshops and exhibitions, and helping children with their project homework packs.

It was also lovely to see so many families attending our Christmas performances this year. I know you will agree that the children were amazing, and it makes such a difference that they saw a friendly face in the audience!
